

Bulldog Nation..

Breast Cancer Awareness Month is this month and we would love to have the Breast Cancer Pregame Ceremony again this year, in prior years we have honored many different ladies and their courageous battle. Please help us do it again this year and add to the list and show these ladies how much we admire and honor them!

Edgewood ISD is looking for any *faculty members* or *members of the community* that are battling breast cancer or a breast cancer survivor. We would like to have any family members also help us honor anyone that has lost their battle with breast cancer. Our district is planning to honor these individuals OR their family members at the **Pink Out** Varsity Football game on **Friday, October 25, 2019.**

If you know anyone that would like to be "remembered or recognized", please contact Stormy Wilcoxson. We will give out more details as the event grows closer.
